Inner Soul Journey & Expressive Dance with Inspired Music on a Full-Moon Night Saturday, April 19, 2008

Please arrive by 8:00 p.m. Doors reopen at 9:30 p.m.

We invite you to join us for an initiatory dance cycle inspired by music, evocative moving images and visionary journeying. We will journey to access archetypal imagery and rhythms remembered in our souls to powerfully express our innocent essence and ancient wisdom in dance.

The evening will begin with a refrain from Jennifer Berezan's CD *Returning*, then recorded music by Matthew Andrae, whose songs are like "cool water for your thirsty heart", move into an inner journey led by Elizabeth Rose Raphael in music collaboration with Lloyd Barde and continue with dancing into the moonlit night to the rhythmic pulse of DJ Heartbeat.

Lloyd Barde has an instinctive gift for producing music for meditation, movement and healing. He has been an inspired source of sound advice for over 30 years. As DJ Heartbeat, Lloyd hosts concerts and events around the Bay area. backroad@well.com
